The Spiritually Informed Social Worker

The School of Professional Specialty Certificate Programs

The **CAPSTONE Professional Specialty Certificate Program in Spiritual Care for Social Workers** equips them with essential skills for providing spiritual care to diverse populations, emphasizing self-awareness and support for vulnerable groups. It covers spirituality and religion, benefits of spiritual care, recognizing spiritual distress, and effective spiritual interventions. The program also focuses on the unique needs of aging patients and enhances communication skills for better spiritual care. Through this track, social workers will learn to integrate spiritual care into their daily practice, addressing their clients' holistic needs with empathy and respect across various spiritual backgrounds.
